Competitor No

- There will be an Award Ceremony after the Final Results are published for the top 3 drivers in each class, plus winning Mechanic on both Saturday and Sunday.
 - Drivers are required to attend wearing their race suit and bring their Helmets.

The Wera Tools British Kart Championships will feature in the FIA International Karting Ranking for the first time in 2024, a computerised global ranking system offering an opportunity for British Kart Championship drivers to be propelled onto the world's stage.

This ranking gives an overall view of a driver's performance regardless of the category* in which they compete within the BKC. It's an additional opportunity to reward drivers through an overall global ranking that gives priority to consistency of performance throughout the year, as the eight best results are taken into account and a prestigious trophy at the end of year prize giving ceremony.

In 2023 over 2000 drivers were classified globally in some of the most competitive championships in the world and the winner was none other than BKC graduate Lewis Wherrell. All drivers that are entered for the BKC in eligible classes are automatically entered into the ranking system.
