6. The timetable for the weekend will be announced in any Final Instructions issued directly to all registered Competitors prior to the meeting via email. Signing-on and Scrutineering times will be included in the Final Instructions:
- a) it is imperative that Competitors adhere to the times allocated to avoid undue delays. If any Competitor fails to sign-on or complete scrutineering in the allotted time they may be reported to the Race Director and/or Stewards of the Meeting who may impose a penalty that may include Missing a Practice, Timed Qualifying or race.
 - b) if it is anticipated that you will be unable to make the allotted times for exceptional and valid reasons then please advise the Event Secretary who, following liaison with the Race Director, may make alternative arrangements. If this is not possible 6.1a) above applies.

7. Meeting Format

- Friday - x2 Practice Session (Engine Running in)
Saturday - Free Practice & Qualifying Practice
Sunday - Warm Up, Heats, & Final

Any amendments for the meeting are at the Organisers discretion and will be published via Bulletin.

8. Time Qualifying & Scoring

8.1 Grid positions for the heats will be determined by Qualifying Practice. All classes will be provided up to an 8-minute Qualifying session and each driver must participate in their designated group and will be confirmed in the Final Instructions. The schedule for the Qualifying Practice groups will be posted on the Official Notice Board. Should any driver miss their designated group they will be reported to the Event Stewards and not permitted to join another and shall be placed at the back of the starting grid for the Heats, this does not preclude the Event Stewards imposing any further penalty. The results from Qualifying Practice will dictate grid positions for the Heats. A driver may complete as many laps as they wish during this session and all laps will be timed.

A Driver's fastest lap time during their Qualifying Practice session will be used as their qualifying time. Should a driver have their fastest lap(s) cancelled due to a penalty the next fastest lap will be their Qualifying time.

Any driver who fails to complete at least one lap will start at the back of the grid. If more than one driver doesn't register a lap, then they will start in numerical order at the back of the heat grids.

Timing will commence when the green flag or green light is shown.

As soon as the driver exits the track their session has ended and re-entry to the track is not permitted.

In the event of a tie of average time in Timed Qualifying the driver's fastest single lap time will be considered and the driver with the fastest single lap time awarded the higher ranking. If still tied then the 2nd single fastest times will be considered and so on until a clear winner is established.

8.2 Any driver considered to be baulking or blocking another driver will be penalised by loss of up to their 3 fastest lap times. This does not prohibit the Stewards of the Meeting disqualifying the driver from the classification if necessary.

8.3 The maximum grid for Direct Drive is 36.

Points will be awarded in the Heats and these will count towards grid positions for the Final.

Points for the Heats will be allocated 0 pts for 1st place 2 pts for 2nd place 3 pts for 3rd place and increasing by 1 point down the heat classification.

Non-finishers will be classified according to the number of full laps completed and order of stopping and shall be classified in that order and allocated points accordingly; and any driver that does not start a Heat will be classified after any non-finishers in the Heats whether they present themselves to the grid or not and in grid order if more than one and allocated points on that basis.

8.4 Grid positions for the final will be determined on the grid points awarded in both heats. In the event of a tie for grid positions for the final the higher finishing position from Qualifying Practice will take the higher grid position.
